## FOREWORD

The profession of public accountancy in Florida is regulated by the provisions of law found in Chapter 473, Florida Statutes, 1941; a statement of which will be found hereinafter. This chapter is a compilation of Acts more specifically described as Chapter 15637, Acts of 1931, together with certain amendments and additions embodied in Chapters 17265, 17266 and 17267, Acts of 1935. These in turn were an outgrowth of the original regulatory legislation known as Chapter 12290, Acts of 1927, under the provisions of which the then practising accountant might apply for and receive a Certificate of Authority to thereafter practice as a Public Accountant. This Act also provided that the issuance of Certificates of Authority should cease after January 1, 1928. This provision was designed with the intention that henceforth entrance into the profession would be limited to successful candidates in the examination for certified public accountant.

Under the provisions of law cited no person may practice in Florida as a Certified Public Accountant, or as a Public Accountant, unless such person shall be the holder of a certificate, as a Certified Public Accountant or as a Public Accountant, in full force and effect, issued by the State Board of Accountancy. Both Certified Public Accountants and Public Accountants are governed by the same laws and practice under the same rules and regulations and standards of professional conduct and are subject to the same penalties of suspension and revocation of certificates. The Certified Public Accountant received his certificate as a result of an examination or by waiver of such examination. The Public Accountant received his certificate of authority by furnishing satisfactory evidence that he was in 1927 maintaining an office for the practice of public accountancy within the State of Florida, or was similarly employed at that time.

All Certified Public Accountants and Public Accountants are required to register annually with the State Board of Accountancy. Failure to register as required subjects such practitioner to suspension of his right to practice. The list of Certified Public Accountants and Public Accountants presented herein are those Florida practitioners registered with the State Board of Accountancy as of May 31, 1946, who are entitled to practice their profession in the State during the year 1946. All others have been suspended.

**473.01 Definition of terms used in chapter.**—Wherever the term "certified public accountant" is used in this chapter, it shall be deemed and construed to mean a person holding a certificate to practice as a certified public accountant issued under this chapter, or any law of the State of Florida heretofore in force and effect.

Wherever the term "public accountant" is used in this chapter, it shall be deemed and construed to mean a person holding a certificate of authority to practice as a public accountant issued under the provisions of this chapter or any law of the State of Florida.

Wherever the term "board" is used in this chapter, it shall be deemed and construed to mean the state board of accountancy created under this chapter, unless otherwise specified.

**473.02 "Public accountancy" defined.**—A person, either individually or as a member of a firm or an officer or employee of a corporation, shall be deemed to be engaged in practice of public accounting within the meaning and intent of this chapter:

(1) Who holds himself out to the public in any manner as one who is skilled in the knowledge, science and practice of accounting and as qualified to render professional services as an accountant for compensation; or

(2) Who maintains an office for the transaction of business as a public accountant, or who, except as an employee of a public accountant, practices

accounting, as distinguished from bookkeeping for more than one employer; or

(3) Who offers to receive clients to perform for compensation, or who does perform upon behalf of clients for compensation, professional services that involve or require an audit or verification of financial transactions and accounting records; or

(4) Who prepares, signs or certifies for clients, reports of audits, balance sheets and other financial, accounting and related schedules, exhibits, statements, or reports which are to be used for publication or for credit purposes, or to be filed with a court or other tribunal or governmental agency, or used for any other purpose; or

(5) Who in general, or as an incident to such work, renders professional assistance for compensation in any or all matters relating to accounting procedure and the recording, presentation and certification of financial facts; or

(6) Who prepares for another or signs any statement, schedule, audit, balance sheet, or other document or paper reflecting, or purporting to reflect, the results of an audit or examination of the financial records or books of account of such person, which is used, or intended to be used, for the purpose of obtaining or soliciting any loan or credit.

---

**Rule 2(a).**—In determining whether or not an individual may be unlawfully engaged in the practice of public accounting, the State Board will look at all the circumstances involved in each particular case.

The offering of his services as an independent contractor; the maintenance of an office for performance of work as distinguished from keeping of books and records at the place of business of the employer; the listing of one's name in the telephone and business directories as an accountant; the employment of others as assistants; all are facts tending to show that an individual is engaged in the practice of public accounting as distinguished from serving as a part-time bookkeeper for one or more employers.

That the description of business activities as "Bookkeeping Service"; "Business or Management Consultant"; "Tax Accountant" and the like, and the avoidance of the names "Public Accountant" and "Certified Public Accountant", merely constitutes a subterfuge to conceal practices which in themselves are in violation of the laws of Florida relating to the practice of public accounting when in fact many of the same services are performed and offered to the public as are legally performed by qualified Certified and Public Accountants.

---

**473.03 State board of accountancy; terms and qualifications.**—The governor shall appoint five persons, each of whom shall be a resident of the State of Florida and shall hold a certificate as a certified public accountant issued by the state board of accountancy of this state, and such persons and their successors in office shall constitute the state board of accountancy and shall have and exercise all the powers and authority vested by law in said board.

All appointments to membership upon said board shall be for four years from the termination of the now existing terms. All persons appointed

to membership upon said board shall hold office, after the expiration of their respective terms, until their successors are appointed and qualified. All vacancies upon the board shall be filled by appointment by the governor for the unexpired term. No person shall ever be appointed to membership upon such board unless he shall at the time of such appointment be the holder of a certificate as a certified public accountant issued by the board.

**473.04 Powers and duties of board.**—The board is charged with the responsibility for the administration of this chapter and may design and use a seal, compel the attendance of witnesses, administer oaths, take testimony and receive proofs concerning all matters within its jurisdiction. It shall formulate rules for its guidance, not inconsistent with the provisions of this chapter, and shall print the same for distribution. It shall prescribe a standard of professional conduct and formulate reasonable rules defining unethical practices for persons holding certificates under this chapter. Every person practicing as a public accountant or as a certified public accountant in this state shall be governed and controlled by the rules and standards adopted by the board.

(See, standard of professional conduct and rules, at end hereof.)

**473.05 Power of board to enjoin violations and to compel obedience to law or regulations.**—Whenever it shall appear to the board that any person is violating or about to violate the terms and provisions of this chapter, the board may file a bill in equity in its own name, or proceedings in mandamus in the name of the State of Florida, on its own relation, and by its counsel alleging the facts and praying for an injunction or writ of mandamus as the case may be against such persons, partnership, or corporation, and its members, officers, or directors restraining them from further violating, or commanding them to obey, such law.

Upon proper application and showing that the defendant has not registered as required by the terms and provisions of this chapter, or that the defendant is not in good standing under any certificate that may have been theretofore issued, or is violating any of the provisions of this chapter, or that a certificate to practice accountancy as a public accountant or certified public accountant has been denied said defendant, or suspended or revoked, or that this chapter has been or is about to be, or is being violated or disobeyed, which showing may be made by affidavit, the judge of the court wherein the bill shall be filed shall issue a restraining order or alternative writ of mandamus and upon the final hearing shall grant and issue an injunction including a mandatory injunction or a peremptory writ of mandamus as prayed upon finding the truth and sufficiency of the bill or petition as the case may be.

The court may enforce said injunction or writ of mandamus by punishment for contempt, and by such other writs and process, mesne or final, as are permitted to circuit courts and shall make such other orders or decrees as its discretion and the rules shall require. Such injunction or writ may be limited in time, perpetual or conditional, as may be necessary and proper to the enforcement of this chapter. The laws of the state now in force, and the rules of the supreme court regulating appeals in similar cases shall apply to appeals in cases brought under this section.

**473.06 Organization of Board; to keep records.**—The board shall annually elect one of its members as chairman and shall select a secretary, who must be a member of the board. It shall make an annual written report to the governor. It shall keep all applications filed, all documents under oath, a record of the proceedings, and shall maintain a registry of the names and addresses of all persons applying for, and of those receiving certificates under this chapter, any of which, or a certified copy thereof, shall be *prima facie* evidence of all matters set forth therein, and shall be admissible in evidence of all of the courts of this state.

**473.07 Meetings of board; quorum.**—Three members of the board shall constitute a quorum at any meeting duly called in accordance with the rules adopted by the board. The board shall hold a meeting at least twice each year, for the purpose of conducting an examination of those who have applied for certificates under this chapter. The time for holding such examinations shall be fixed by the rules of the board and may be changed from time to time, but no such change shall be made unless at least ten days' notice thereof shall have been given to all persons who have applications pending for certificates. The board may meet, for the purpose of holding examinations and conducting other business, at such places in the State of Florida as may be fixed by the board.

**473.08 Qualifications of application for examination.**—Any person who is a citizen of the United States and a resident of the State of Florida, over the age of twenty-one years, or good moral character and a graduate of a high school with a four years' course of study, or who has had an equivalent education, and who has had not less than three years' experience in the practice of public accounting and who shall otherwise meet the specifications specified in the rules of the board, shall be entitled to take an examination for the purpose of determining whether or not such person shall be permitted to practice in this state as a certified public accountant. For the purpose of this section, a resident of Florida is defined as one who has resided in this state for at least twelve months immediately preceding the filing of his application.

---

Rule 8(a) Employment, work and services in any Federal, State, County, District or Municipal Governmental service or agency, does not constitute experience in the practice of public accounting under the Act for the purpose of qualifying a person to take the Certified Public Accountant's examination, even though such employment, work, or service should be under the supervision of a person who is himself a Public Accountant or Certified Public Accountant.

---

**473.09 Application; fee; disposition of fee.**—All persons desiring to receive a permit to practice as a certified public accountant in this state shall file a written application for leave to take an examination before the board and such application shall be upon a form prescribed by the board, and shall be signed and sworn to by the applicant. Each applicant shall remit to the board, at the time of filing such application, the sum of twenty-five dollars, which said sum of money shall be retained by, and become the property of the board in the event the applicant is permitted to take an examination. If the application to take the examination shall be denied,

the said sum of money shall be returned to the applicant. All moneys received and collected by the board from applicants shall be disposed of in the manner provided by this chapter for the disposition of other funds coming into the hands of said board.

**Rule 9(a)** Applicants for permission to sit in the regular semi-annual examinations of the board in May and November each year shall be filed with the board not less than sixty days before said examinations take place.

**Rule 9(b)** The acceptance by this board of an application to sit in any one of its regular semi-annual examinations shall cover the next three regular semi-annual examinations by the board, but the board reserves the right to cancel any such acceptance by issuing notice thereof in writing or by telegraph, or by telephone, not less than twenty-four hours prior to the beginning of any one of the three said examinations.

**473.10 Examination of applicants; subjects.**—The board shall conduct examinations by the propounding of questions in writing. The method of conducting the examination and all regulations concerning the same shall be prescribed by the board in rules to be adopted in accordance with this chapter. The board shall prescribe by such rules methods for grading papers, and shall prescribe what shall constitute a passing grade entitling the applicant to a certificate. The examinations shall be in theory of accounts, practical accountancy, auditing, commercial law as affecting accountancy, and such other related subjects as shall be specified by the board.

**Rule 10(a)** Examinations shall be held in the months of May and November in each year simultaneously, in the cities of Jacksonville, Tampa, and Miami. Notice of the time and place of the examination shall be mailed to each candidate whose application to take the examination shall have been filed with and approved by the board.

Examinations shall be held in the following subjects: (1) Auditing, (2) Commercial Law, (3) Theory of Accounts, and (4) Accounting Practice. All question papers, stationery, etc., furnished by this board shall remain its property and must be returned whether used or not.

Answers to the examination questions, identified by use of the proper question number, must be submitted by the respective candidates on blanks furnished by the board and must be completed in the time allotted for each subject, which will be stated on the examination papers. Answers may be written in pencil or ink; however, credit will not be given for solutions that are illegible.

Each candidate shall be furnished a numbered identification card upon which he shall sign his name and address and then seal in an envelope and deliver to the examiner in charge. Thereafter the candidate shall identify his answers by noting such numbers on each sheet thereof and in no other manner. The signing of his name, initials or identification mark other than such number shall be sufficient cause for the rejection of his papers.

Reference by any candidate during the examination to books or other matters or the exchange of information with other persons shall be con-

sidered misconduct sufficient to bar the candidate from further participation in the examination.

A grade of not less than 75 is hereby prescribed as a passing grade for each subject. If a candidate shall receive a passing grade in all four subjects of the examination he shall upon approval by the board be issued a certificate as a certified public accountant. If a candidate shall receive a passing grade in any two or more of the four subjects of the examination he may be conditioned in the other subject or subjects and may complete his examination in any one or all of the next three consecutive examinations. If such conditioned candidate shall receive a passing grade in the remaining subject or subjects in such next three consecutive examinations, he shall upon approval by the board be issued a certificate as a certified public accountant. Failure to receive a passing grade in such manner within such next three consecutive examinations shall lapse the credit for the subjects passed and the candidate shall then be required to again be examined in all subjects.

The Secretary shall communicate to each applicant in writing the decisions of the board reached in his case, which shall state the grade received on each subject of the examination. After three years the answers may be destroyed in the presence of a majority of the board.

**Rule 10(b)** Any certificate to practice as a Certified Public Accountant or Public Accountant issued by this board shall be signed by the chairman and by the secretary and by at least one other member of the board, and shall be executed under the seal of the board.

---

**473.11 Graduates of Florida universities entitled to take examination.**—Any person who has completed a four-year course in accountancy at either of the two Florida universities and, thereafter, completed one year of work in a registered accountant's office shall be entitled to take an examination to become a certified public accountant.

**473.12 Registration of accounts.**—Each person holding a certificate as a certified public accountant or a certificate as a public accountant, whether granted under this chapter or under any other law, shall, between the first day of January and the thirty-first day of March, in each year, notify the board in writing of his present place of residence, the name of any accountant or firm of accountants by whom he shall be then employed, or the name of any firm of which he shall then be a member. At the time of transmitting such information he shall pay to the board the sum of ten dollars as a registration fee.

Thereupon, the board shall issue to such person a registration card showing that such person has duly registered and is entitled to practice in the State of Florida as a certified public accountant or as a public accountant, as the case may be. If any person holding a certificate as a certified public accountant or as a public accountant shall fail to register and pay the fee annually, within the time and in the manner provided by this section, then at any time thereafter the board may notify such person by registered mail, at his address shown upon the records of the board, requiring such person to register and pay such fee within thirty days after the mailing of such notice. If such person shall continue to fail to register and pay said fee within the said period of thirty days, the board shall enter an order

suspending the certificate of such person, and thereupon such person shall no longer be entitled to exercise or enjoy any of the rights or privileges conferred by such certificate until he shall have registered and paid all delinquent registration fees, as provided in this chapter.

---

---

**473.13 Publication of list of accountants.**—The board may, in its discretion, establish such rules and regulations as to the publication of lists of persons holding certificates as certified public accountants and public accountants, as may in the judgment of the board be for the best interest of the profession of public accounting in the State of Florida.

**473.14 Temporary certificate.**—The board may, in its discretion, adopt rules and regulations providing for the issuance of temporary certificates to persons for the purpose of enabling such persons to fulfill specific engagements or employments, the contracts for which were entered into beyond the limits of the State of Florida.

- (7) Because of the commission by the holder of a certificate of any act which renders him unfit to associate with the fair and honorable members of the accounting profession; or
- (8) That such person is a habitual drunkard.

A certificate may be revoked or suspended only by the unanimous vote of all members of the board for a period not to exceed two years for the violation by the holder thereof of any of the rules or canons of professional ethics promulgated by the board.

No certificate shall be revoked or the operation thereof suspended, until after the board shall have had a hearing, at which the person holding such certificate shall be entitled to be present and to be represented by counsel. The board shall prescribe rules and regulations for receiving complaints against any person holding a certificate issued under the chapter and for the filing of charges against any such person by the board itself.

When any such complaint or charge shall be filed, a copy thereof shall be mailed, under the direction of the board, by registered mail, to the person against whom such complaint or charge is made, at the address of such person as shown upon the records of the board; and with such copy of the charge or complaint there shall be transmitted a notice that a hearing

thereon will be had before the board at a time and place to be specified, not less than thirty days after the mailing of such notice. The burden of proof of such charges shall rest upon the persons who shall have preferred the same, or upon the board, as the case may be.

At the time fixed for such hearing, or at any adjournment which may be granted by the board, the matter shall proceed to hearing. The board, in its discretion, may be represented by counsel employed by the board. If the complaint or charge shall be sustained, the board may enter an order revoking or suspending the certificate as provided by this chapter, or may censure the holder of the certificate. If the complaint or charge is not sustained, an order shall be entered by the board exonerating the holder of the certificate.

---

Section 2: In the event that anyone other than a member of the State Board of Accountancy should send to or file with the board a written complaint setting forth facts which constitutes or which might constitute grounds for the revocation, cancellation or suspension of any certificate to practice as a Certified Public Accountant, or as a Public Accountant, the board shall investigate such complaint and, if it finds that a reasonable basis exists for the revocation, cancellation or suspension of any such certificate under the provisions of Section 473.20, Florida Statutes 1941, the board may either file a charge and send notice to the holder of any such certificate in accordance with the provisions of Section 1, hereof, or the board may send by registered mail a copy of such complaint received by the board to the holder of such certificate, together with a notice that a hearing thereon will be had before the board at a time to be specified, not less than thirty days after the mailing of such notice; and, if a copy of such complaint received by or filed with the board is sent to the person against whom such complaint is made, the copy so sent need not contain the original signature of the person making such complaint, but such copy shall be certified as being a true and correct copy of the original complaint by the Chairman and the Secretary of the board, or by any three members thereof.

**473.21 Disposition of fees; compensation of board members; disposition of surplus money.**—All moneys collected for the board from fees prescribed or authorized to be charged by this chapter, shall be received and accounted for by the board or by the secretary of the board, under its direction. Such moneys shall be used to defray administration expenses, which shall include the per diem and actual travelling expenses of members of the board and the secretary attending official meetings; the salary of the secretary and incidental expenses of administration; the cost of taking testimony and procuring the attendance of witnesses before the board or its committees; office help and clerical help for the chairman of the board; costs of all legal procedure taken under the provisions of this chapter for the enforcement thereof.

Each member of the board shall be paid per diem, not to exceed ten dollars per day for time actually expended in pursuance of duties imposed by this chapter; provided, that no such expenses incurred under this chapter shall be a charge on the funds of the State of Florida, and payment thereof shall be limited to funds in possession of the board at the time of payment. All bills shall be audited and approved by the board or by a committee of the board appointed for that purpose. Should the receipts from such fees exceed the expenses aforesaid, the balance or surplus shall be paid into the state treasury. The board may retain and hold at all times a surplus in money sufficient, in the judgment of the board, to meet all needs of the board. In no event shall any expenses incurred by the board be a charge upon the funds of the state. The board shall obtain proper and approved collateral security for all bank deposits, and shall designate a depository for its funds.
